How to Use This Kit

Everything you need to run a fun awards moment at an office, family or friends holiday party.

One week before the party

1. Print the Award List and pick 10 to 18 awards that fit your group.
2. Print one Nomination Sheet per guest, or cut the quick ballot cards (4 per page).
3. Set a nomination deadline and a box or jar to collect ballots.

Party day

1. Count votes on the Vote Tally Sheet. A tick for each vote, then circle the winner.
2. Fill in the certificates: winner name, date and the award title.
3. Use the Host Script to open, announce each award and close the ceremony.
4. Record winners on the Hall of Fame page and keep it for next year.

Keep it kind

- [ ] Every award should make the winner smile. Skip any title that could embarrass someone.
- [ ] Try to give every guest at least one nomination; the blank certificates help.
- [ ] Small prizes are optional: a candy cane, a mug or a gold paper star works.

Printing tips

US Letter size, also prints on A4 (choose Fit to Page). Print certificates on cardstock for a nicer feel. Print as many copies as you need for your own party.

Party timing: nominations 10 min, counting 10 min, ceremony 15 to 25 min for 12 awards.

AWARD	WINNER	BEST MOMENT

You just made my day!

Thank you for choosing a small, one-person shop over the big guys.

Quick favor? If this made your party or planning even a little easier, a 30-second review helps the next family find it. I read every single one.

How: Etsy app → You → Purchases → Leave a review

Something not right? Message me first and I'll fix it fast.
