2. Hand out the questionnaire so everyone shares their likes and dislikes.

Our group's extra rules

White Elephant and Dice Swap Rules

Two fun ways to exchange gifts in a group

White elephant

1. Everyone brings one wrapped gift within the spending limit and puts it in the pile.
2. Draw numbers to set the order.
3. Player 1 opens a gift from the pile.
4. Each next player either opens a new gift or steals an opened one.
5. If your gift is stolen, open a new one or steal from someone else (no instant steal-backs).
6. A gift can be stolen 3 times, then it is frozen.
7. The game ends when every gift is opened. Player 1 may make one final swap.

Dice swap game

Sit in a circle with one wrapped gift each. Take turns rolling one die and follow the chart. Set a timer for 10 minutes, and when it beeps, open the gift in your hands.

Roll	What to do
1	Swap gifts with the person on your left
2	Swap gifts with the person on your right
3	Swap with anyone you choose
4	Everyone passes their gift one seat to the left
5	Keep your gift, pass the die
6	Roll again

Who Has Who Tracker

You just made my day!

Thank you for choosing a small, one-person shop over the big guys.

Quick favor? If this made your party or planning even a little easier, a 30-second review helps the next family find it. I read every single one.
