How to Use This Tracker

START HERE

Short, simple steps. One task per page, big boxes, no math homework.

The only three rules

1. Pick ONE challenge to start. You can add more later.
2. Every time you save, color a box. Any marker, any color, any day.
3. Missed a week? Still counts. Just color the next box when you can.

Which challenge fits you?

CHALLENGE	BEST FOR	PER WEEK, ABOUT
$1,000 color-in	First-time savers, small steady wins	$19
$2,500 color-in	Emergency fund starter	$48
$5,000 color-in	Big goals: a car, a move, a trip	$96
Any-amount flex	Uneven paychecks, tips, side income	Whatever you can
52-week classic	People who like a fixed plan	$1 to $52

Make it stick (brain-friendly tips)

- [ ] Tape the page where you see it every day: fridge, mirror or desk.
- [ ] Pair saving with something you already do, like payday or Sunday coffee.
- [ ] Use a bright marker. Seeing color fill the page is the reward.
- [ ] Set a phone reminder with a kind message, not a scary one.
- [ ] Do the monthly check-in in 5 minutes. Done beats perfect.

Printing

US Letter size, also prints on A4 (choose Fit to Page). Print the challenge pages again any time you start a new round.
